

RIVO MULTITRADE OPTICAL SYSTEMS

Dutch cable tray manufacturer in stock

Overview

Stainless steel cable trays | CC NederlandThe rounded design protects cables and hoses, while our patented locking cable trays combine easy access for clea.

Key Takeaways

Staalbouw Dijkstra, Stago, and Gouda Holland are Dutch manufacturers offering cable trays available from stock.

Staalbouw Dijkstra

Staalbouw Dijkstra produces and supplies cable trays in aluminium, stainless steel (RVS), Sigmaweld, and steel, all available from stock for fast delivery across the Netherlands. They also offer custom sizes and configurations if needed, making them suitable for industrial and commercial installations .

Stago (Wibe Group)

Stago cable trays are manufactured in the Netherlands and provide a full range of systems for commercial buildings, industry, and data centers. Their trays feature high load capacity, corrosion resistance, and fire-resistant options. Stago offers perforated, reinforced, and closed designs in multiple heights and widths, and products are available locally for reliable availability .

Gouda Holland (Niedax Group)

Gouda Holland, part of the Niedax Group, specializes in light-duty and NATO-type cable ducts. Their products include glass fiber reinforced polyester (GRP) trays with high UV, corrosion, and chemical resistance. These trays are available in various heights, thicknesses, and configurations, and the company provides technical support for installation .

Summary

For Dutch-based suppliers with in-stock cable trays, the following options are recommended:

- Staalbouw Dijkstra: Aluminium, steel, RVS, Sigmaweld, fast delivery, custom sizes .
- Stago (Wibe Group): High-load, fire-resistant, multiple designs, locally manufactured .
- Gouda Holland: GRP trays, light-duty and NATO-type, versatile configurations .

These manufacturers provide immediate availability, technical support, and a variety of materials and designs suitable for industrial, commercial, and marine applications.
