Free quote for hybrid fiber optic cable QSFP28 in Pakistan

Overview

Fiber Optic Products Supplier Pakistan | Universal Fiber Solutions Trusted fiber optic supplier in Pakistan. UFS offers FTTH equipment, cables & accessories.

Key Takeaways

You can request free quotes for QSFP28 hybrid fiber optic cables from multiple suppliers in Pakistan, including SKYRS, Universal Fiber Solutions, Fiber Optic Pakistan, and Infrasel. Supplier Options

1. SKYRS Pakistan SKYRS offers high-performance QSFP28 breakout cables, such as the DAC-QSFP28-4SFP28-25G series, which connect a 100G QSFP28 port to four 25G SFP28 ports. They provide various lengths (1m, 2m, 3m, 5m) suitable for within-rack or adjacent rack connectivity. You can request a quote directly through their website for specific lengths and quantities to optimize your data center setup in Pakistan . 2. Universal Fiber Solutions (UFS) UFS supplies a wide range of fiber optic cables, FTTH equipment, and accessories. They explicitly offer the option to request a free quote online, making it convenient to get pricing and availability for hybrid fiber optic cables including QSFP28 types . 3. Fiber Optic Pakistan Founded in 1998, Fiber Optic Pakistan manufactures and supplies fiber optic cable assemblies, transceivers, patch cords, and breakout cables. They provide high-quality riser, plenum, and LSZH fiber optic cables. You can contact them to request a free quote for QSFP28 hybrid cables and related equipment, with options for bulk orders and fast delivery . 4. Infrasol Cables Infrasol is a professional manufacturer of fiber optic and copper cables in Pakistan. They offer a wide portfolio of telecom cables and can provide quotes for hybrid fiber optic solutions including QSFP28 cables. Contacting them directly will allow you to get pricing and technical specifications tailored to your requirements .

How to Request a Quote

- Visit the supplier's website and locate the "Request a Quote" or contact form.
- Specify the cable type (QSFP28 hybrid fiber optic), length, and quantity.
- Include any additional requirements such as cable jacket type (LSZH, plenum, riser) or delivery location in Pakistan.
- Suppliers typically respond with pricing, lead time, and shipping options. By reaching out to these suppliers, you can compare prices, availability, and technical specifications to select the best QSFP28 hybrid fiber optic cable solution for your data center or network deployment in Pakistan.
