Overview

Sudhir Switchgears Pvt. Ltd. Sudhir Switchgears Pvt. Ltd. is a manufacturer of Flameproof/Weatherproof Equipments in India. Our range comprises of Flameproof.

Key Takeaways

Leading Indian manufacturers of explosion-proof distribution box accessories include Bharat Flameproof, Sudhir Switchgears, Prateek Explosionproof, Rayflame, and Explosion Proof Electrical Control. Key Manufacturers and Offerings

Bharat Flameproof – Based in Mumbai, Bharat Flameproof manufactures a wide range of flameproof and explosion-proof products, including distribution boxes and accessories. Their products comply with international standards (IECEx) and are designed for safety, durability, and reliability. They offer tailor-made solutions and maintain a strong focus on on-time delivery and cost-effectiveness .

Sudhir Switchgears Pvt. Ltd. – This company produces flameproof and weatherproof equipment, including distribution boards, junction boxes, cable glands, and accessories. They provide products certified by CIMFR, BIS, and PESO, and maintain large inventories for quick delivery. Sudhir Switchgears also offers installation services and custom product development .

Prateek Explosionproof – Located in Thane, Maharashtra, Prateek specializes in flameproof light fittings, control gears, junction boxes, industrial fans, and instrument boxes. Their products are certified by CIMFR, DGFASLI, BIS, and CCOE, and comply with IS/IEC:60079 standards for gas groups I, IIA, IIB, and IIC, suitable for Zone 1 and 2 environments .

Rayflame Private Limited – Based in Bhiwadi, NCR Delhi, Rayflame manufactures flameproof and weatherproof electrical equipment, including control panels, distribution boards, MCCs, local control stations, junction boxes, and cable glands. They follow IS/IEC60079 standards and have in-house foundry, machining, assembly, and quality testing facilities. Rayflame is ISO-certified and has over 35 years of experience in the flameproof industry .

Explosion Proof Electrical Control – Located in Vapi, Gujarat, this company offers a diverse range of explosion-proof solutions, including junction boxes, panels, LED fittings, bulkheads, instrumentation, switch gears, and push buttons. Their products are designed for hazardous environments and comply with Indian safety standards, serving industrial clients across Gujarat and nearby regions .

Considerations for Selection

- **Certifications:** Look for CIMFR, BIS, PESO, and IS/IEC compliance to ensure safety and regulatory adherence.
- **Product Range:** Ensure the manufacturer provides the specific accessories needed, such as cable glands, junction boxes, and distribution panels.
- **Customization:** Some manufacturers offer tailor-made solutions for specific industrial requirements.
- **Delivery and Support:** Companies with large inventories and dedicated support teams can provide faster delivery and post-installation assistance. These manufacturers represent some of the most reliable options in India for explosion-proof distribution box accessories, combining certified safety, quality materials, and industry experience.
