Maldives Cable Tray Brands

Overview

Cable Tray Manufacturers & Suppliers in Maldives | TrademoFind and discover Cable Tray manufacturers and suppliers for all products in Maldives, featuring.

Key Takeaways

Popular cable tray brands in the Maldives include CH&Q, Brilltech Engineers, Link Serve, and HATIM Group, offering a range of metal and coated cable trays for industrial and commercial applications. CH&Q Cable Trays

CH&Q is a widely available brand in the Maldives, offering metal and aluminum cable trays in various sizes and colors, such as silver and white. Products are often sold as bundles including the tray, connectors, and screws, suitable for both indoor and outdoor installations. Asters Maldives stocks models like GC01-01 to GC01-04, with lengths of 9'6" and widths around 300mm, catering to standard electrical and industrial requirements .

Brilltech Engineers Pvt. Ltd.

Brilltech Engineers is a trusted local manufacturer and supplier of electrical cable trays in the Maldives. They provide both standard and customized solutions to meet industry-specific requirements. Their products are ISO-certified and designed for durability and compliance with international quality standards. Brilltech serves clients across various sectors, including automotive and construction, making them a reliable choice for large-scale projects .

Link Serve Private Limited

Link Serve is an IT and electrical solutions provider in the Maldives, offering power-coated cable trays and other electrical infrastructure products. They focus on integrating global brands and technological solutions, making them a good option for projects requiring modern and high-quality cable management systems .

HATIM Group

HATIM Group provides heavy-duty cable trays designed for industrial and high-security applications. Their trays are durable, adaptable for indoor and outdoor use, and require minimal maintenance. HATIM emphasizes safety and long-term reliability, making their products suitable for complex wiring systems in large facilities .

Summary

For cable tray solutions in the Maldives, CH&Q is ideal for standard metal and aluminum trays, Brilltech Engineers offers customizable and ISO-certified options, Link Serve provides technologically advanced coated trays, and HATIM Group specializes in heavy-duty industrial applications. Depending on your project requirements—whether standard, customized, or high-security installations—these brands provide a comprehensive range of options.
