Key Takeaways

Shandong Hongfeng and Shandong Tianhong are leading North Asian manufacturers of trapezoidal cable trays, offering high-quality, customizable solutions for industrial and commercial projects.

1. Shandong Hongfeng Import and Export Co., Ltd.

- Products: Wire mesh, trough, trapezoidal, large-span, and composite cable trays.
- Materials: Stainless steel, aluminum, copper, zinc, iron, fiberglass.
- Certifications: ISO 9001, SGS, CE.

• Applications: Communication networks, factory construction, solar and thermal power plants, chemical plants, coastal installations.

• Capabilities: 65,000 m² production area, 265 employees, customizable designs, OEM/ODM services, and one-stop project support . 2. Shandong Tianhong Electric Power Technology Co., Ltd.

• Products: Perforated trays, cable ladders, trunking, strut channels, and trapezoidal cable trays.

- Features: Automated production lines, powder-coated surfaces for corrosion resistance, lightweight and easy-to-install systems.
 - Services: OEM & ODM, customized solutions for power plants, data centers, commercial buildings, and infrastructure projects.
 - Reputation: Known for innovation, quality assurance, and global supply reliability .
3. Taian Jinheng Electric Co., Ltd. (JLH Electric)
- Products: Cable trunking, cable ladder, perforated cable tray, wire mesh cable tray, and accessories.
 - Factory: 24,000 m² with automatic production lines.
 - Applications: Commercial and industrial construction, supermarkets, hotels, power plants, underground construction, and high-rise buildings.
 - Specialty: Offers hot-dip galvanized, stainless steel, PVC, and fiberglass cable trays with multiple sizes and easy-access fittings .
- Considerations for Selection
- Material and Corrosion Resistance: Stainless steel and aluminum are preferred for coastal or high-corrosion environments.
 - Customization: Many North Asian manufacturers provide OEM/ODM services to meet specific project requirements.
 - Certifications: ISO 9001, CE, and SGS certifications ensure compliance with international quality standards.
 - Project Support: Companies like Hongfeng offer one-stop solutions including design participation, production, and after-sales service. These brands are recognized for durable, cost-effective, and high-quality trapezoidal cable trays suitable for a wide range of industrial and infrastructure applications in North Asia.
