

RIVO MULTITRADE OPTICAL SYSTEMS

Price List for Fiber Optic Couplers

Overview

ST Fiber Optic Couplers for Extending STUPC Single Mode Cables - Our STUPC Fiber Connectors are pre-Cleaned Barrel Connectors.

Key Takeaways

A complete set of fiber optic couplers typically ranges from \$50 to \$200 depending on the type, quantity, and included accessories. Overview of Fiber Optic Coupler Kits

Fiber optic coupler kits generally include multiple couplers for ST, SC, LC, or APC connectors, along with adapters, dust caps, and sometimes patch cords. These kits are designed to simplify fiber optic connections, reduce splicing, and support both singlemode and multimode applications .

- RS Components offers a wide range of individual couplers and kits from brands like Panduit, Phoenix Contact, and RS PRO, suitable for industrial and aerospace applications, though prices vary by specification .
- EFB-Elektronik provides couplers in LC, SC, MTP, and E2000 formats, with options for singlemode and multimode, emphasizing low attenuation and high quality, but pricing is typically available upon request .
- FiberShack sells combination kits that include 20 ST couplers for singlemode and multimode patch cords, 100 dust caps, and adapters for FC, SC, and LC connections, which are ideal for lab or field setups .

- eBay lists kits with 26 fiber optic couplers for ST, LC, SC/APC, and SC cables, including a hard plastic snap-lock case, with prices generally starting around \$50 and increasing based on the number of couplers and included accessories .

Factors Affecting Price

- Coupler Type: Singlemode couplers are usually more expensive than multimode due to higher precision requirements.
- Quantity: Kits with more couplers or adapters cost more.
- Brand and Quality: Premium brands or industrial-grade components increase the price.
- Accessories: Inclusion of dust caps, adapters, and carrying cases adds to the cost.

Typical Price Range

- Small kits (10-20 couplers): \$50-\$100
- Medium kits (20-30 couplers with adapters and dust caps): \$100-\$150
- Large or specialized kits (custom ratios, industrial-grade, multiple connector types): \$150-\$200 or more For precise pricing, it is recommended to check the vendor's website or contact a sales representative, as prices vary based on specifications, shipping, and availability .
