

Price List of Waterproof Cable Trays in Canada

Overview

WESCO Canada Splicing Cable Trays: Type - Splice Plates; Tray Type - Cable Tray; Style-Construction - Straight Standard; Tray Siderail Height - Cable Tray |.

Key Takeaways

Waterproof cable trays in Canada are available from major suppliers like WESCO, Nedco, Westburne, Lumen, and Unitray, with prices varying by material, size, and load capacity. Suppliers and Product Options

- WESCO Canada offers aluminum cable trays, ladder and channel types, with various widths (4-24 inches) and heights (4-6 inches). Accessories include splice plates, end closures, and covers, often packaged with zinc-plated hardware for durability .
- Nedco and Westburne provide similar aluminum cable trays suitable for wet environments, including horizontal and vertical bends, ladder trays, and straight sections .
- Unitray specializes in aluminum cable tray systems across Canada, offering full support and cable management solutions for industrial and commercial installations .
- Lumen lists cable trays and accessories, though specific waterproof models may require direct inquiry .

Factors Affecting Pricing

- Material: Aluminum is common for waterproof trays due to corrosion resistance; stainless steel is more expensive but highly durable.

- **Tray Type:** Ladder trays, solid-bottom trays, and channel trays differ in cost; ladder trays are often more economical.
 - **Dimensions:** Width, height, and length directly influence price; larger trays and longer spans cost more.
 - **Load Capacity:** Trays rated for higher loads or longer spans typically have higher prices.
 - **Accessories:** Covers, splice plates, and end closures add to the total cost.
- Pricing Guidance

While exact prices are not publicly listed online, typical ranges for aluminum waterproof cable trays in Canada can be estimated:

- Small ladder trays (4-6 inches wide, 3m length): approximately CAD 50-100 per section.
- Medium trays (6-12 inches wide, 3-6m length): CAD 100-250 per section.
- Large trays or heavy-duty stainless steel trays: CAD 250-500+ per section. For precise pricing, it is recommended to contact suppliers directly via their websites or sales representatives, as costs vary by quantity, customization, and shipping location.

Recommendation

To obtain a complete price list:

- Visit supplier websites: WESCO Canada, Nedco, Unitray.
- Request a quote for waterproof or outdoor-rated aluminum/stainless steel trays.
- Compare specifications, load ratings, and accessories to ensure compatibility with your installation requirements. This approach ensures you get accurate, up-to-date pricing and the right product for your project.
