

RIVO MULTITRADE OPTICAL SYSTEMS

Price of outdoor 2-core optical fiber cable

Overview

Amazon.com: Outdoor Fiber Optic Cable Industrial-grade outdoor fiber optic cables with armor protection. Multiple configurations for long-distance transmiss.

Key Takeaways

The price of a 2-core outdoor optical fiber cable typically ranges from \$0.50 to \$2.50 per meter, depending on specifications and supplier. Retail Pricing

On Amazon, a 2-core outdoor fiber optic drop cable (G657A1, single-mode) is available, with prices generally around \$1-\$2 per meter, depending on length and shipping options (Amazon.com) . These cables are suitable for FTTH installations and come with weather-resistant jackets for outdoor use.

Wholesale and Bulk Pricing

For bulk purchases, platforms like Alibaba offer 2-core fiber optic cables with CE certification and LSZH jackets, ideal for FTTH networks. Prices in wholesale quantities can start as low as \$0.50 per meter and vary based on order volume, cable type, and additional features such as armored protection or reinforced yarn (Alibaba.com) .

Specialized Suppliers

Suppliers like Multicore Infotech provide 2-core single-mode outdoor cables with enhanced durability, including FRP reinforcement and yarn layers. These cables are designed for telecom operators and ISPs, with prices typically in the \$1-\$2 per meter range, depending on specifications and quantity (Multicoreinfotech.com) . Other specialized suppliers, such as Fiber24, offer FTTH drop cables with LC/APC connectors and bend-optimized designs for outdoor and indoor use. Pricing may be slightly higher due to connectorization and compliance with G.657.A2 standards (Fiber24.net) .

Factors Affecting Price

- Cable Type: Single-mode vs. multi-mode
 - Jacket Material: LSZH, PE, or armored
 - Reinforcement: FRP rods, aramid yarn, or steel wire
 - Length and Quantity: Bulk orders reduce per-meter cost
 - Connectors: Pre-terminated cables with LC/APC or SC/APC connectors increase cost
- In summary, for a standard 2-core outdoor single-mode fiber optic cable, expect \$0.50-\$2.50 per meter, with retail prices on Amazon at the higher end and wholesale or bulk orders at the lower end.
