Overview

Since 1982, VALDINOX has been designing and manufacturing wire mesh cable trays, supports, and easy-installation accessories.

Key Takeaways

For high-quality Mauritanian-made cable trays, consider suppliers like Cable House and Brilltech Engineers, offering durable, customizable, and standards-compliant solutions. Key Mauritanian Cable Tray Suppliers

1. Cable House Cable House is a recognized manufacturer in Mauritania, producing a wide range of cable management products including cable trays, hose clamps, cable ties, and industrial connectors . Their cable trays are known for:

- High durability and reliable performance
 - Customizable solutions to meet specific project requirements
 - Compliance with industry standards
 - Strong customer support for installation and product selection They serve both national and international clients, ensuring quality control and tailored solutions for diverse applications.
2. Brilltech Engineers Pvt. Ltd. Brilltech Engineers offers premium cable trays in Mauritania, designed to protect and organize electrical systems . Key features include:

- Materials: Galvanized steel, stainless steel, and fiberglass
 - Designs: Perforated trays for improved airflow and solid trays for maximum protection
 - Benefits: Enhanced safety, reduced hazards, easy installation, and maintenance
 - Support: Assistance with system design, product selection, and installation guidance Their trays are suitable for both small-scale and large industrial projects, ensuring long-term cable protection and efficiency.
- Material and Design Considerations

When selecting Mauritanian-made cable trays, consider:

- Material: Galvanized steel for corrosion resistance, stainless steel for harsh environments, fiberglass for lightweight and non-conductive applications
- Tray Type: Perforated trays for ventilation and heat dissipation, solid trays for maximum protection
- Customization: Ensure the supplier can provide trays in the required dimensions and load capacities

Conclusion

For reliable Mauritanian-made cable trays, Cable House and Brilltech Engineers are highly recommended due to their quality, customization options, and professional support. Both suppliers offer a range of materials and designs suitable for industrial, commercial, and infrastructure projects, ensuring compliance with safety and performance standards .
