Key Takeaways

Steel cable tray prices in South Africa vary by material, finish, and type, with suppliers offering pre-galvanised, hot-dip galvanised, and stainless steel options. Supplier Options and Product Types

1. Advanced Strut Advanced Strut offers a wide range of metal cable trays and ladders, including perforated trays, wire mesh trays, and stainless steel options (304 and 316 grades). Finishes include pre-galvanised for light-duty use and hot-dip galvanised for medium to heavy-duty applications, suitable for corrosive environments. Pricing depends on tray type, size, and finish, and can be obtained by contacting the supplier directly for a quote . 2. Liteglo Liteglo provides wire mesh cable trays and other cable management solutions with fast delivery across South Africa. They emphasize competitive pricing and online ordering, making it convenient to compare different tray sizes and materials. Exact prices are available on their website or by request . 3. The Cable Manager The Cable Manager supplies a comprehensive range of steel cable trays, cable ladders, and accessories. They serve major cities including Johannesburg, Pretoria, Durban, Cape Town, and Port Elizabeth. Pricing varies by tray type, material, and quantity, and they offer competitive rates for bulk orders . 4. RS Components South Africa RS Components stocks cable management trays and baskets, including steel options. While specific prices are not listed online, they provide a platform to browse available products and request quotations for bulk or individual purchases .

Factors Affecting Price

- Material: Pre-galvanised steel is generally cheaper than hot-dip galvanised or stainless steel.
- Tray Type: Wire mesh trays are often less expensive than solid or perforated steel trays.
- Size and Load Rating: Larger trays or those rated for heavy-duty industrial use cost more.
- Quantity: Bulk orders may qualify for discounts.
- Delivery Location: Prices may vary depending on shipping to different regions in South Africa.

How to Obtain Current Prices

To get an accurate price list, it is recommended to:

- Visit supplier websites (Advanced Strut, Liteglo, The Cable Manager, RS Components).
- Select the desired tray type, material, and size.
- Request a quotation or check online pricing if available.
- Compare multiple suppliers for the best rates and delivery options. By contacting these suppliers directly, you can obtain up-to-date pricing tailored to your project requirements and location.
