

Tanzanian manufacturers of optical modules

Overview

Fiber Optic Tanzania Technologies specialize in manufacturing of fiber optic cables, cable assemblies and fiber optic transceivers.

Key Takeaways

Key companies in Tanzania involved in optical module and fiber production include RaddyFiber Manufacturing Tanzania LTD and Diamond Optical Limited. RaddyFiber Manufacturing Tanzania LTD

RaddyFiber Manufacturing (T) Limited, located in Mwanambaya near Dar-es-Salaam, specializes in the production of high-quality fiber optic cables and related accessories, which are essential components of optical modules. Their product range includes outdoor cables, armored cables, patch cord connectors, and other fiber optic connectors used in telecommunications, industrial, and commercial projects. They serve both local and regional markets across East and Central Africa and maintain partnerships with mobile network operators and government institutions, highlighting their credibility in the optical sector.

Diamond Optical Limited

Diamond Optical Limited focuses on optical and ophthalmic products, including precision diagnostic and surgical equipment. While primarily known for ophthalmic applications, they also supply optical frames, accessories, and workshop machinery, which can be relevant for optical module assembly and related optical technologies. They have over 20 years of experience in delivering high-quality optical products across Tanzania .

Additional Suppliers and Market Insights

Other platforms such as go4WorldBusiness and Trademo list verified optical fiber manufacturers and suppliers in Tanzania, providing opportunities to connect with companies producing optical components and modules . These platforms can be useful for identifying additional manufacturers or distributors of optical modules and related fiber optic products.

Summary

For businesses or individuals seeking optical modules in Tanzania, the most notable manufacturers include RaddyFiber Manufacturing Tanzania LTD for fiber optic cables and accessories, and Diamond Optical Limited for optical equipment and components. Supplementary supplier databases like go4WorldBusiness and Trademo can help expand the search for additional manufacturers and distributors .
