

RIVO MULTITRADE OPTICAL SYSTEMS

UAE Explosion-proof Socket Distribution Box Manufacturer

Overview

Explosion Proof Plug and Socket, Junction Box Price, With partnership with our Explosion proof manufacturer, we act as a local assembler for Explosion proof.

Key Takeaways

Leading UAE suppliers of explosion-proof socket distribution boxes include Prolux International, Jireh Energy Solutions, WAROM Technology MENA, Sensor Control LLC, and Power Source Electrical Trading, all offering ATEX, IECEx, and UL certified products. Key Manufacturers and Suppliers

Prolux International FZC specializes in a wide range of explosion-proof electrical products, including plugs, sockets, junction boxes, and distribution panels. They provide solutions for hazardous areas classified Zone 1 and Zone 21, with enclosures in GRP or die-cast aluminum. Their products are certified to ATEX, IECEx, NEMA 4X, UL, and PESO standards, and they offer custom assembly and portable options for maintenance or temporary installations in oil & gas, petrochemical, and industrial plants across the UAE and Middle East . Jireh Energy Solutions LLC supplies robust, low-maintenance explosion-proof electrical components, including junction boxes and local control stations. Their products are designed for flammable gases, dust, and liquids, and are certified to ATEX, IECEx, and UL standards, ensuring compliance with international regulations. They cater to EPC projects, plant upgrades, and industrial facilities across the Middle East . WAROM Technology MENA FZCO provides a comprehensive range of explosion-proof equipment, including distribution boxes, enclosures, plugs, sockets, and control equipment. They emphasize customized solutions, on-site assembly, and technical support, with products compliant with IEC, EN, ATEX, and IECEx standards. WAROM serves oil & gas, petrochemical, mining, and offshore industries in the UAE and MENA region . Sensor Control LLC offers certified explosion-proof socket systems and distribution boxes, along with lights, isolators, and air conditioners for hazardous industrial environments. Their products are ATEX, IECEx, and UL certified, suitable for oil & gas, petrochemical, marine, and mining sectors. They focus on high-performance, reliable solutions for UAE-based industrial projects . Power Source Electrical Trading distributes WAROM-branded explosion-proof distribution boxes, enclosures, and related electrical equipment. Their products are widely used in oil & gas, petrochemical, and mining industries, and comply with ATEX and IECEx certifications, ensuring safety and reliability in hazardous areas .

Product Features and Considerations

- Enclosure Materials: GRP or die-cast aluminum for durability and corrosion resistance.
- Socket Ratings: 16A to 64A, 3-pole and 5-pole, suitable for single-phase and three-phase power.
- Hazardous Area Classification: Zone 1 (IIC gases) and Zone 21 (IIIC dust), Class 1 Div 1/2.
- Customization: Many suppliers offer tailored assembly, interlock plugs, and portable solutions.
- Certifications: ATEX, IECEx, UL, NEMA 4X, PESO for compliance with international and regional standards. These manufacturers provide ready stock and fast delivery across the UAE, Middle East, and Africa, making them reliable partners for industrial projects requiring explosion-proof socket distribution boxes.
