

RIVO MULTITRADE OPTICAL SYSTEMS

Well-known ladder-type cable tray manufacturer

Overview

34 Cable Ladder Manufacturers in 2026 | MetoreeThis section provides an overview for cable ladders as well as their applications and principles. Also, plea.

Key Takeaways

Top manufacturers of ladder-type cable trays include Pioneer House, Metalix Industries, Elcon Global, Pemsca Cable Management, and Thorne & Derrick, offering durable and versatile cable management solutions.

1. Pioneer House Pioneer House is a reputable supplier of ladder cable trays, offering a wide range of products including steel, aluminum, and fiberglass trays. Their trays feature a rung-and-side-rail design for optimal cable support and ventilation, ensuring efficient heat dissipation and easy maintenance. They provide both covered and uncovered options, along with accessories for bends, tees, and intersections, making installation convenient and adaptable to various industrial applications . 2. Metalix Industries Metalix Industries manufactures ladder-type cable trays designed for heavy-duty cabling systems. Their products are fabricated from high-grade materials to withstand harsh environments, offering superior load-bearing capacity and resistance to wear. The trays are engineered for optimal airflow and heat dissipation, supporting large cable bundles while simplifying cable routing and maintenance . 3. Elcon Global Based in Pune, India, Elcon Global is a leading manufacturer, supplier, and exporter of ladder cable trays. They offer hot-dip GI, pre-galvanized, powder-coated, electroplated, and painted trays. Elcon trays provide high load capacity, optimum airflow, and can be fitted with covers for added protection. They also supply accessories like bends, tees, reducers, and couplers, and provide professional installation services . 4. Pemsca Cable Management, S.A. Headquartered in Madrid, Spain, Pemsca Cable Management produces metal cable trays and conduit systems for industrial applications, including food, photovoltaic, and railway sectors. Their flagship product, Metatray, features precision lower rails, straight couplers, and multifunctional supports, designed for durability and ease of installation . 5. Thorne & Derrick Located in Chester-le-Street, UK, Thorne & Derrick supplies industrial and hazardous area electrical equipment, including ladder cable trays. They provide technical support, maintain extensive stock, and offer solutions for power, renewable energy, construction, rail, mining, and petrochemical industries .

Additional Resources

For a broader list of manufacturers and suppliers, platforms like IndiaMART provide contact details and addresses for numerous ladder cable tray companies across India, facilitating direct inquiries and quotations . These manufacturers offer a variety of ladder-type cable trays suitable for power distribution, data cabling, and industrial applications, ensuring durability, safety, and efficient cable management.
