

Where can I find cheap standard cable trays

Overview

A cable tray system is used to support insulated electrical cables used for power distribution, control, and communication.

Key Takeaways

You can find affordable cable trays at online retailers like Amazon, Walmart, IKEA, McMaster-Carr, and specialized suppliers such as Ekabel24. Online Retailers for Budget-Friendly Options

- Amazon offers a wide variety of cable trays suitable for home, office, or workspace setups, often with expandable and easy-install designs at competitive prices (<https://+tray>) .
 - Walmart provides inexpensive metal wire cable trays for under-desk or home computer cable management, with prices starting around \$13.99 (<https://>) .
 - IKEA sells cord organizers and cable management accessories, including wire organizers and under-desk solutions, which are cost-effective for home use (<https://>) .
- Industrial and Specialized Suppliers
- Ekabel24 offers a comprehensive range of high-quality cable trays, including hot-dip galvanized steel, stainless steel, and halogen-free plastic systems. While more industrial-focused, they provide standards-compliant solutions suitable for larger projects (<https://ekabel24.de/en/cable-trays/>) .

- McMaster-Carr carries over 850 cable tray products in various styles and sizes, with options for same-day or next-day delivery, making it convenient for both small and large installations (<https://>) .

Tips for Finding the Cheapest Options

- Compare prices across multiple retailers to find the best deal for your required size and material.
- Consider plastic or perforated trays for home or office use, as they are generally cheaper than metal ladder-style trays.
- Check bulk purchase discounts if you need multiple trays for industrial or large-scale projects.
- Look for seasonal sales or promotions on Amazon, Walmart, or McMaster-Carr to save further. By exploring these sources, you can find affordable cable trays that meet your installation needs, whether for home, office, or industrial applications.
