

RIVO MULTITRADE OPTICAL SYSTEMS

Where can I find good cable trays

Overview

Choose from our selection of cable trays, including over 850 products in a wide range of styles and sizes. Same and Next Day Delivery.

Key Takeaways

You can purchase cable trays from specialized suppliers, industrial distributors, and online marketplaces offering a wide range of materials, sizes, and standards-compliant systems.

- Ekabel24 offers a comprehensive range of cable trays, cable ladders, and cable trunking in materials like hot-dip galvanized steel, stainless steel, and halogen-free plastic. Their products comply with DIN EN 61537 and international standards, suitable for industrial, commercial, and renovation projects (ekabel24.de) .

Industrial Distributors

- McMaster-Carr provides over 850 cable tray products, including wire mesh and corrosion-resistant systems. They offer same-day and next-day delivery, making them ideal for urgent or large-scale installations (mcmaster.com) .

- RS Components stocks metal cable trays, wire trays, and cable baskets for commercial, industrial, and residential use. Their catalog includes interconnected channels for safe and organized cable routing (rsdelivers.com) .

Online Marketplaces

- Amazon offers expandable, easy-install cable trays suitable for home, office, or workspace setups. Both Amazon.com and Amazon.de provide a variety of sizes and styles, with frequent updates on best-selling products (amazon.com, amazon.de) .

Tips for Choosing Cable Trays

- Material: Steel or aluminum for heavy-duty industrial use; plastic for lighter applications.
- Type: Open trays for ventilation and easy access; ladder trays for heavy power cables; trunking for enclosed protection.
- Standards Compliance: Ensure products meet DIN EN 61537 or equivalent IEC standards for safety and durability.
- Delivery & Availability: Check suppliers for same-day or next-day shipping if needed for urgent projects. By exploring these suppliers and marketplaces, you can find cable trays that match your installation requirements, budget, and delivery preferences.
