

Where to wholesale network server racks in China

Overview

The Network Server is included in our comprehensive Rack Server range. Seek out wholesale pricing from established suppliers.

Key Takeaways

You can buy network server racks in China from major online platforms like Alibaba and Made-in-China, or directly from specialized manufacturers such as Gcabling, Gometal, Ship Group, and OTSCABLE. Online Platforms for Sourcing

- Alibaba: Offers a wide range of network server racks directly from Chinese factories, allowing global buyers to source products easily and compare prices and specifications .
 - Made-in-China: Provides access to verified manufacturers and wholesalers, with options for OEM/ODM customization, bulk orders, and factory-direct pricing .
- Leading Manufacturers
- Gcabling Electronic: Specializes in floor and wall-mounted network cabinets, offering OEM/ODM services and personalized data center solutions .
 - Ship Group: Produces server racks, wall-mounted cabinets, and cabling systems with an annual production capacity of 100,000 pieces, also providing global OEM/ODM services .

- Gometal (Langfang Gometal Network Equipment Co., Ltd): Located in northern China, this manufacturer offers network racks, server cabinets, and network solutions with a complete industrial chain and over 10 years of experience .
 - OTSCABLE: Offers standard 19", 21", 23" racks and custom server racks with tool-less shelf installation, compliant with ANSI/EIARS-310-D and other industry standards, suitable for telecom, datacom, and large network enterprises .
- Considerations When Buying
- Customization: Many manufacturers provide customizable dimensions, panel support, and locking options to fit specific technical requirements .
 - Location: Northern China (e.g., Langfang) has a large production base with a complete industrial chain, while southern cities like Shenzhen, Guangzhou, and Ningbo are also popular sourcing hubs .
 - Quality and Certification: Check for compliance with industry standards such as ANSI/EIARS-310-D, ETS 300 119, or Open Rack configurations for reliable performance .
 - OEM/ODM Services: If you need branded or specialized racks, choose manufacturers offering OEM/ODM capabilities to tailor products to your specifications . By leveraging these platforms and manufacturers, you can source high-quality network server racks in China, whether for small-scale installations or large data center projects.
